

CHINESE WHITE DOLPHINS 3D card

cephalopod diy pop-up card

Pop-up book of the Cetaceans

Steps:

1. Cut the components following the cutting line.
2. Fold according to the marks.
(Use a stylus or a used ballpoint pen to draw the folding lines before folding.)
3. Paste the points with the same alphabets together (e.g., A to A, B to B).

Mark descriptions:

Cutting line

Mountain fold

Valley fold

Chinese white dolphins

Chinese white dolphins are mammals and classified as toothed whales, with a body length of about 2-2.6 meters and a blowhole.

We can see them in the warm waters near the coast of the Indo-Pacific. They are affected by human activities.
