

Results of the 2018 World Oceans Day Activities organized by the Coast Guard Administration of the Ocean Affairs Council

Main Celebration Activities for the 2018 World Oceans Day in Kaohsiung

1. Introduction

In response to the UN World Oceans Day's idea of cherishing the ocean and to raise public awareness of cherishing it, this administration has since 2008 organized promotional activities related to the World Oceans Day.

2. Organizing unit: Coast Guard Administration, Ocean Affairs Council

3. Activities

A. Date and time: June 9, 2018 (Saturday), 10:00 – 16:00

B. Venue: Kaohsiung Xin Bin Pier

C. Exhibition area planning: the display area for marine theme booths is divided into four main thematic dimensions, namely, “marine safety,” “marine conservation,” “marine industries,” and “marine scientific research.” It is a joint effort of all organizations and groups involved in work concerning the oceans so as to manifest the diversities and rich contents of the ocean.

4. Activities Schedule
